ABOUT THE PLAYERS

CRYSTAL ANDERSON - Senior and co-captain, Crystal will share alot of the responsibility of handling the ball and being a leader on the floor as a guard. Crystal has a very accurate shot and should lead as one of the team scorers this year.

RACHEL NORTON - With three years experience, Rachel should make some real contributions this year as a guard. She has the possibility of contributing alot to our squad.

DORENE SANDS - Our other co-captain and forward, Dorene will see alot of action this year. She has a good shot especially from the free throw line. Dorene had the top percentage last year.

SUE KULP - Sue is a hard worker and very enthusiastic on and off the floor. She will add that little extra this year in her determination to score.

VICKI BUTLER - As a junior, Vicki will easily reach her thousandth point, and be the first women to obtain that at Cedarville College. She averaged 20 points per game last year and was also the teams top rebounder. Along with these accomplishments, Vicki is also an outstanding leader and very knowledgable about the game.

BECKY NEEDLES - Becky is improving rapidly after having one year of experience. With determination and more playing, Becky will add depth to our team.

DIANE LICHTENSTEIGER - A transfer from Ohio State, Diane will add to our teams depth, being able to either play guard or forward. She also has the eye for seeing the open player as well as a good shot.

DEB KEARSLEY - Joining our team late in the season, Deb has some catching up to do. Her eagerness to learn and willingness to work will prove to make her a better player.

Freshmen

LAURA BUTLER - Laurie has joined her sister Vicki and will prove to be a key player. An aggressive guard and real hustler, Laurie will add to our teams quickness.

KAREN COLLINS - Karen has shown good offensive and defensive skills. She has the head knowledge that is needed to be a well rounded player. Her potential to score is great as she seems to have an eye for the basket.

KARI SCHMIDT - Kari is a very strong player and we are looking for her to be strong on the boards. She needs confidence that will come from more play experience.

SUE WAGONER - Sue has quickness and speed along with good hustle. She has great enthusiasm and with a lot of hard work she should rapidly improve her game.
